Dear Parent

Parent/Child/Staff Consultation for Personal Learning Planning

Coming home with this newsletter is a separate sheet asking parents to select a preferred time to meet with their child's teacher. The dates for consultations are **Tuesday 13th October 4.30-6.30, Wednesday 14th October 4.30-6.30 and Thursday 15th October 6-8 pm**. It would be most helpful if parents could indicate on the sheet all possible times which they are available to meet with staff.

Punctuality at School and School Security

Our Primary 1 pupils are now all settled into school and it would be most helpful if parents could ensure that they leave the playground quickly after the bell has rung. We need to ensure that the side gate is locked to ensure the childrens' safety. All pupils who arrive after the bell should come into school through the front entrance.

Cold Weather

Many of our younger pupils did not have a coat yesterday and although it was a lovely day the infant playground does not get much sun and was quite a cold place to play. All pupils need to wear a **warm coat to school** so that they can wear it at break times if the weather is cold. Parents help with this is appreciated.

After School Club – Skool is Out

Sheila Fox, Manager of Skool is Out, our after school club has asked me to remind parents about the security guidelines for the club. Parents should use the **nursery entrance only to drop off and collect pupils**. The side gate is locked after pupils leave at 12.30 and as there is usually no office staff working on a Friday afternoon there is no one to open this gate for parents. The gate has to remain locked as the club uses the playground for games and activities. As with the school security I do appreciate parents help with this to ensure all our children are safe.

Yours sincerely
Anthea Grierson
